1 AN ACT Relating to creating the growth management infrastructure  
2 account; reenacting and amending RCW 43.84.092; adding a new section to  
3 chapter 36.70A RCW; creating a new section; and providing an effective  
4 date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that population growth  
7 in many areas of the state requires new, improved, or additional  
8 infrastructure to accommodate growth. The legislature further finds  
9 that the needed infrastructure identified in the capital facilities  
10 elements of comprehensive plans adopted by counties and cities far  
11 exceed the existing funding available to county, city, or state  
12 agencies responsible for constructing or operating the needed  
13 infrastructure. The legislature therefore establishes the growth  
14 management infrastructure account to assist counties and cities in  
15 financing and constructing those infrastructure projects identified in  
16 the capital facilities elements of growth management plans.

17 NEW SECTION. **Sec. 2.** A new section is added to chapter 36.70A RCW  
18 to read as follows:

1 (1) The growth management infrastructure account is created in the  
2 state treasury. Moneys may be placed in the account from the proceeds  
3 of bonds when authorized by the legislature or from any other lawful  
4 source. The public works board shall use appropriated moneys from the  
5 account to provide financial assistance to qualifying local governments  
6 for capital costs directly related to providing basic service for  
7 growth infrastructure projects necessary to accommodate residential,  
8 commercial, and industrial growth.

9 (2) The public works board, established in chapter 43.155 RCW,  
10 shall manage appropriated funds from the account. The board shall have  
11 all responsibilities granted to it under RCW 43.155.040, 43.155.080,  
12 and 43.155.090 in carrying out the purposes of this section.

13 (3) For the purposes of this section, the following definitions

21 sewer, storm sewer, and solid waste/recycling projects necessary to  
22 meet the requirement of this chapter.

23 (d) "General purpose local government" means counties, cities, and  
24 towns.

25 (e) "Special purpose local government" means all local governments

7 with the comprehensive land use plan, zoning designations, and the  
8 development regulations of the overlying general purpose local  
9 government or governments; and

10 (iv) Other criteria the board deems necessary to carry out the  
11 purposes of this act.

12 (5) Existing debt or financial obligations of local governments
